Joanne Lockwood, Founder and CEO of SEE Change Happen, is an Inclusive Culture Expert and Speaker. Her mission is to create cultural change so that people of all ethnicities, genders and abilities can thrive, perform at their best, and be treated with dignity and respect. Joanne works with "people people" across the UK, Europe and beyond – leaders in HR, Talent Acquisition, and Learning & Development. Challenging corporate mentality on unconscious bias, her consultancy service stretches far beyond "just" Diversity & Inclusion (D&I). Joanne also promotes transgender awareness and support to businesses, guiding your development of Allies Programmes and LGBTQ+ inclusion strategies. Indeed, Joanne is an essential and valued consultant, facilitator and sounding board to many organisations on the vast subject of D&I.
